Every semester there are students in this course who have special needs
which may not be obvious to me. If you have a disability or other
special learning needs, please make an appointment to see me **after
class during the first two weeks of the semester** to discuss any
accommodations or adjustments which would improve your learning or
performance in this course.

                    I hear and I forget
                    I see and I remember
                    I do and I understand
